

Are you or someone you know living with Breast Cancer?

If so come join us here at the Blood & Cancer Clinic on the 2nd Wednesday of every month from 12:00-1:00 pm. We will discuss what you are going through with patients that are currently or have already been there. It's a nice way to hear someone else's story, make friends and learn different ways to cope..

Please feel free to bring a friend
or family member!

This was created just for you so
come out and enjoy!!!
