We seek to provide the community with an enhanced quality of life by providing superior medical care in an efficient and compassionate manner. The Blood and Cancer Clinic, P.A. has been serving the Fayetteville community and surrounding areas for over 17 years. We specialize in the diagnosis and treatment of cancer and blood diseases. Chemotherapy for the treatment of cancer is administered in our office in a personalized, customized and comfortable setting. Protocol treatments are available and offered in appropriate cases.

We accept Medicare, Medicaid, BCBS, Tricare, and ALL insurances.
